

The Bozeman Watch Company introduces the first in a series of three automatic timepieces, the Smokejumper Chronograph. Measuring 45mm in diameter, this limited production, oversize aviator's timepiece has been certified by the COSC and endorsed as the official watch of the Montana-based National Smokejumper Association. A portion of proceeds support the firefighting group. Production is limited to 100 pieces. Telephone 406.585.0062 or 877.878.1780 or visit the brand online <www.bozemanwatch.com>.

Movado has introduced its Proenza Schouler watch, an interpretation of the iconic Museum dial by the Proenza Schouler design team of Jack McCollough and Lazaro Hernandez. The matte-finished copper dial is paired with burnished steel hands and marker. The watch is fitted with a distressed strap of lambskin overlaid with top-stitched silk. Telephone 888.4.MOVADO.
